

Deep Patel

Toronto, ON, M9Y 3G4 / 7984069089

2611deep@gmail.com

I am a student who just completed his studies. I know all the latest languages and its features. Hardworking and believe in teamwork. I will complete my education and receive an advance diploma degree on august 2022 in computer programming and analysis from Seneca college. I know many computer languages such as C, C++, JavaScript, SQL, Java etc. I am very good at SQL and love to learn about data management.
